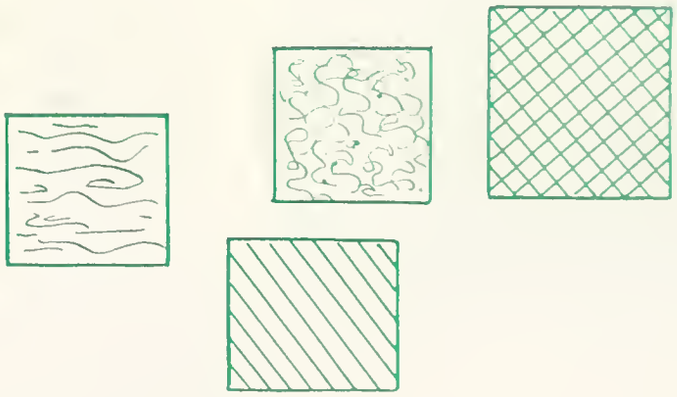
we are Real

Academic ..... 26 *Activities* 48

Unity in four years time is the key word at Northwest in 66-67. We have progressed markedly academically, socially, and athletically as our first four year graduating class leaves this year. They along with the classes of '68, '69, and '70 have combined to be one at NHS and along with the responsibility and challenge to learn, have experienced the real fun and thrill of growing up together. Indeed we are real Pioneers.



Pioneers

Athletics 74

Album 96

The halls of Northwest look much the same, as they did when NHS opened four years ago. A high school matures not by growing old but by achieving success in its endeavors over a period of time. Our fourth year has brought with it the first graduating class to attend Northwest for all of their high school education and active social life. From a group of unrelated elements we have come to a memorable and exciting point where We are Real Pioneers. From a band of different students and faculty a oneness has arisen until a real feeling of pride and accomplishment is evident. Tradition, pride, and respect are evident because we have a mature school to be proud of.

NHS Expands to Meet New Demands

A newness greets NHS visitors, but a feeling of familiar welcome is felt by students and faculty who make NHS their home away from home a large part of the year.

Northwest is still growing in proportion to this rapidly expanding section of the city. An enrollment of 1900 Pioneers and 100 faculty members this year compares with 1600 students and 67 teachers only four years ago. To meet the growing student population, a new wing was completed this year. It will enable NHS to accommodate additional students in the mathematics department as well as providing a new study hall.

Books, Special Equipment Aid Learning

A Pioneer's locker accumulates a wide variety of articles throughout a semester. Serving as a place of storage, a meeting place, or if jammed an excuse for tardiness, a locker houses the necessities for a student.

Books of all varieties are the main occupant of a locker. Students with special fields of interest will store textbooks for elective courses. N.H.S. offers several electives. Speech class gives pupils an opportunity to learn public speaking with style and ease and a library assistant acquires an appreciation of library organization as well as knowing how to file books.

Art classes may be electives for some, although science is required for all whether the course be in biology, physical science, chemistry, or physics.

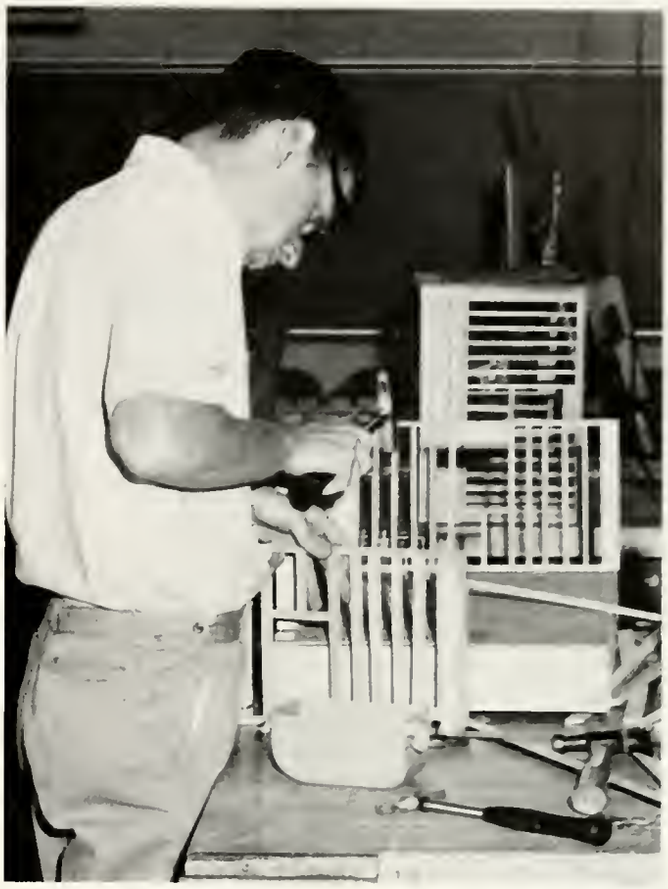
Electives Allow Students to Pursue Their

Special Interests

Participation in courses which offer special skills to students provide Pioneers with a good background for their future.

A model election sponsored by the history department in the fall offers an understanding of our nations political structure to juniors and seniors. New Freshmen are required to take orientation during their first semester. Achievement and vocational tests are taken during this time.

Boys in industrial arts learn skills which may be of value to them in future vocations. NHS artists demonstrate their abilities in various ways. Many are enrolled in craft art or in instrumental music.



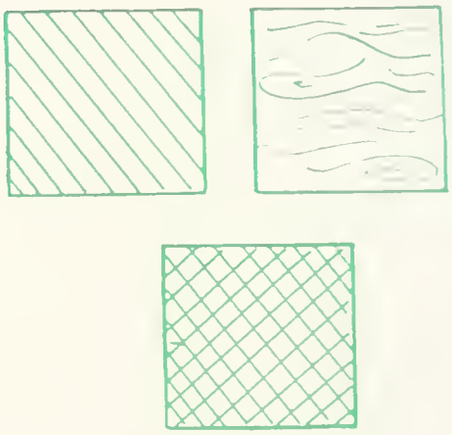
NORTHWEST
HIGH SCHOOL

Uniforms, Flag Add Color to NHS

Northwest has added new color to its properties with uniforms and a school flag. Band members worked hard all summer raising money for their striking green and silver uniforms. Since the choir acquired their new robes last year, Northwest's music department is now completely outfitted.

Senior, Pat Hague, represented Northwest in the Robin Hood Band at the '67 Rose Bowl Parade, bringing honors to the school.

Mr. Gale accepted the new Northwest High School flag on Honors Day last year. The green and silver banner stands as a symbol of the school, whether on display in the front foyer or at the head of the Marching Pioneers.



Royalty Reigns at Junior, Senior Proms,

Many Other Events

Truly "Some Enchanted Evening" was spent by Northwest's 1966 juniors at their prom. The prom was held in the fountain-decorated cafeteria where Linda Geiling and Mickey Reddick were crowned Queen and King.

Seniors also enjoyed their prom, "Stairway to the Star", held at the Indiana Roof.

Linda Whitesell was crowned Northwest's second Homecoming Queen at the Arlington basketball game during Christmas vacation.

The splendor and excitement of royalty adds gaiety to NHS social events.

Social Life

Pioneer social life does not stop in the school. Ice-skating at Lake Sullivan is a favorite winter pastime of many NHS students. Sports and many outside activities enter in the students daily lives.

For many students the last bell is the signal to depart for a part-time job. Summer jobs also provide many students with a sizable income.

During the summer months, the NPT sponsors mall dances for Northwest pupils and their friends. The highlight of the summer is the crowning of a King and Queen of the Mall at the final dance.

Although much of a teen's time is spent socializing, most of it is devoted to studying. The importance of attaining good grades is realized by Northwest students and an effort is made by most to obtain them. The honor roll and Honor Society stimulate the students' desire to achieve good grades. Work as well as play makes up the social life of NHS'ers.

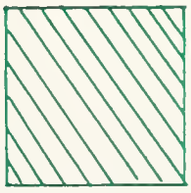
Continues After School Hours

Extra-Activities Spice Pioneer's Life

Although as busy as the original Pioneers, Northwesters still find time to devote to extra curricular affairs. At Northwest, there are approximately 450 students enrolled in 19 clubs, ranging from the Letterman's Club to the Bowling Club. In belonging to a club, Pioneers have found ways to express themselves and to have fun. Many clubs participated in city wide activities such as the annual Quill and Scroll Press Day, sponsored by Northwest this year.

One of the highlights of the '66-'67 school year was the stadium drive. A wishing well was placed in the foyer of the gymnasium for loyal fans to make contributions towards the $200,000 goal.

The highpoint of everyday is lunch. Friends gather to compare the day's gossip, and hungry stomachs are fed. Most students leave the cafeteria refreshed and ready to face whatever the rest of the day might offer.



Various Activities Spark Pioneer Life

The after school hours are often as busy as the school hours for the pupils of Northwest High School. After school activities help the student understand the importance of friendship and understandings among fellow students, along with knowledge in a particular field.

The highlight event for the Drama Club has always been a well performed play. "The Girls in 509" and "Carnival" are the two plays added to the list of excellent performances this year.

An important day in every Pioneers life is Underclass Picture Day. In all corners of the building girls can be seen sneaking furtive peeks into mirrors to assure themselves of their presentability.

Not only are the students of Northwest interested in extra activities, but teachers as well. The combination of student and teacher interest makes for a well rounded extra curricular program.

From Shoes to Cycles, We React to Fads

Fads this year tended to go more "Moderate". Boys still wear long bangs, but they cut the back of their hair now. For girls, it's either long or short hair — not many in-betweens. The short haired girls usually keep their hair short to show their pierced earrings, ranging from huge gold ones to tiny porcelain types. It's the rage among girls now, although most boys don't like pierced ears.

Boys didn't like the long socks girls wore this winter to help hide the shorter hemline in skirts, either. The new colors this year were plum and pumpkin. Most of the styles in clothes this winter included: poor boys, cable knit and V necked sweaters, knee socks, pin striped shirts, suede shoes, and tasseled loafers.

The cycle fad lost momentum for a few good reasons: There's "no way" to date on a motorcycle; riding a cycle can get pretty cold in the winter; you have to wear helmets — and keep an extra one handy in case you want to take your girlfriend for a ride. Anyway, it's a lot warmer to stay home and watch the Monkees, or listen to James Brown records. Even talking on the phone (in decorator colors, of course) is better than "Hitting the books" or cramming for finals.

Pioneers Attend

Summer Institutes, Camps, Contests

Many Pioneers attend institutions connected with high school during the summer months. Some boys who are active in athletics attend Fellowship of Christian Athletes' Camp. Each summer a junior boy and a junior girl are chosen to represent Northwest at Boys State and Girls State at I.U.

Forty of Northwest's seniors make-up the National Honor Society. These students have shown outstanding achievement in grades and citizenship.

On Honor Day, students who have done exceptional work in courses are presented with their awards.

At the annual Quill and Scroll Press Day, sponsored this year by Northwest, Kean Salzer and Becky Richards won honors for the school.

A school's major goal and purpose is education of students. Northwest High School is characteristic of a school of high educational standards. Classes in 11 departments help to prepare pupils for the world they will meet and whatever they choose to do when they graduate. The education of 2000 students is threefold in dimension. It is the job of the faculty, the responsibility of the students, and adequacy of facilities. Some 100 faculty members endeavor to instruct students from the Northwest Indianapolis Area so that they will be able to succeed in the highly competitive world in which we live. The addition of a new wing will ease over-crowded classroom situations. The combination of willing students, able teachers, and more than adequate facilities make for academically sound high school in the truest sense of the word.

Academic

Administration Guides Pioneers Down

Chief Pioneer, Mr. Kenneth Smartz, in his role as principal, sees that things at Northwest are run smoothly. Late after the last bell rings, Mr. Smartz is frequently seen busily working to keep things going at Northwest.

Assisting Mr. Smartz are the two vice-principals, Mr. George Gale and Mr. Harold Crawford. Mr. Gale, is in charge of the school finances, the building and the facilities of the school which include things from jammed lockers to a $200,000 stadium drive. Mr. Crawford directs pupil and teacher programming.

Mr. Richard Cummins, acting as senior sponsor and head of the guidance department, assists students in their choice of classes, colleges and jobs.

Administering discipline, helping students with problems, and sponsoring the Student Council are the activities of the deans. Mr. Paul Heaton is the dean of boys, and Mrs. Constance Zimlich is the dean of girls.

Extensive use of the developmental reading lab is encouraged throughout NHS. A reader can improve his reading with work. Students may take advantage of the lab in English classes or voluntary reading classes.

New Approach Enlivens English Classes

New math and new science have invaded our schools. Why not have a new approach to the dull study of our English langage?

This year Northwest's English department adopted the new structural linguistic method of teaching English. More attention is placed upon the clarity and exactness of a sentence than to its parts of speech. With the use of the overhead projectors and SRA transparencies, instructors are able to contrast examples of well-written sentences with poorly constructed ones.

Another approach, new to some students, is the method of teaching "writing through reading." Here, the students read an example of a certain type of writing and are given correcting assignments around this selection.

Many of Northwest's English instructors attended special sessions during the summer and in the evenings to better prepare themselves for the new English approach.

Library privileges at Northwest are granted to students and faculty during study periods to provide research material for classes.

Language Offers Variety for Students

Foreign language offers a means to world communications and a better understanding of foreign countries. Northwest's foreign language department offers a variety of languages to suit students such as French, Latin, Spanish, and derivatives.

The audio-lingual method is used to teach French and Spanish. In the language laboratory, it is possible to practice this method by hearing the language spoken by a Frenchman or a Spaniard and repeating the sounds heard.

Latin, though considered a dead language by many, is much alive here at Northwest. Much is learned about the civilization where the language was born and spoken daily.

Derivatives is the study of foreign words which form the roots of many words of the English language. It is a good chance to learn a little of several foreign languages while developing a good vocabulary.

Also offered to the 652 Pioneers enrolled in foreign languages at Northwest are several competitive awards. Among these is the I. U. Honors Program for high school French, Spanish, and Latin students.

The language lab helps French, Spanish and Latin students with the pronunciation of language study by using tapes.

More Equipment Arrives for Science

After the fashion of the true scientist, chemistry students use trial and error tactics in studying the basic chemistry fundamentals.

When the science department began holding classes four years ago, it was without any lab equipment. Now the department has fully equipped laboratories for student use.

The twelve original staff members in the department are still teaching with the addition of four new teachers. This makes it the second largest department in the school.

The Science department enrollment has increased in proportion to the school enrollment. There were 900 students in science classes the first year. There are 1100 students in the department this year giving us the highest percent of students enrolled in science courses in the entire city.

NHS has been represented each year at the Science Seminar. We have had a student win the regional science fair the past three years. Last year's winner received a fourth division award nationally.

The original science curriculum included three subjects: Physical Science, Biology, and Chemistry. It has since doubled with the addition of Physics, Earth Science, and Biology X.

Social problems is a course open to seniors, which studies the basic problems facing todays world and possible solutions to them.

"I'd rather be dead than Fed!" "Down with the Nats!" Such cries echoed throughout Northwest's halls last fall during the student elections. Sponsored by the social studies department, the election gives juniors and seniors an opportunity to learn about the way our government operates.

The Lilly Scholarship Fund is also supported by the department. Seniors in the upper 25% of their class may compete for $1,500 in prizes. The scholarship money may be used towards an education in the college of the student's choice.

In addition, the social studies department offers nine different courses to interested pupils. A total of 1209 students took advantage of the facilities offered by the department this year. Although students are required to take U.S. History, United States Government, and Economics, they are free to select any of the remaining five electives. World History is required for graduation under the Fine and Practical Arts and Academic Diploma plans.

The Social Studies Department makes use of the schools numerous showcases to illustrate class activities and upcoming events.

Advanced math courses, analytical geometry, trigonometry and calculus, prepare prospective college students for their college math and science courses. The scope is used to show calculations as the teacher makes them.

College Bound Pupils Prefer Higher Math

Over half the students this year are busily enrolled in math classes. Every Pioneer has the opportunity to choose from seven different offerings of math courses.

For freshmen there is general math or first year algebra; for the sophomore, geometry. Advanced math courses include second year algebra, a semester of trigonometry and college algebra, and analytical geometry and calculus — a new course this year.

There are contests for students who excelled in Algebra II, Algebra IV, and Geometry. There is also a comprehensive math test for seniors. Students from NHS may enter in the Society for Actuaries and Math Association of America contest, and the I.U. achievement tests.

Pioneers Fit

A rigorous workout in the pursuit of a more physically-fit young world is but a daily happening to eight hundred NHS students. All Pioneers are required to participate in at least two semesters of physical education; however, further training in the field of physical education is promoted.

Activities are planned with many purposes in thought — their value, physically, in the cultivation of a more sound and reliable body; their usefulness in the grounding of a genuine understanding of good sportsmanship; and the simple enjoyment of the many participating students. This year, for the first time, soccer is being offered along with the many existing activities practiced.

Health and Driver Education classes both constitute two other significant areas of the Physical Education department. Health, a one semester course, is required at Northwest for graduation. In this course, among other things, the importance of good health habits are stressed. Driver Education classes, offered at NHS, help many to develop a solid and essential background in driver responsibility and help emboss upon young minds the necessity of sincere respect for others on the roads.

These freshmen girls check their progress in exercises, such as sit-ups. Other exercises are performed and recorded daily.

The purpose of drivers education is to stress the importance of good driver attitudes to pupils approaching driving age.

The opportunities in the business field are immeasurable, and this year 1163 Pioneers are increasing their knowledge and paving the way to success by taking one of the many courses offered by the Business Education Department.

In our fourth year as a progressing school, there have been many additions and improvements to the equipment in this department. We are the only high school in the city equipped with electronic classrooms. For the first time in our short history a library has been made available to all shorthand students.

Mr. James Bradburn, a new faculty member, teaches the Machine Calculations course. Mrs. Dora Freed, also new at Northwest this year, teaches Consumer Economic Problems, the only new course added to the curriculum.

This year, students enrolled in Clerical Practice classes are permitted to work in the office at the switchboard for a week to learn the fundamentals of receiving in-coming calls.

Various Aromas Come from Home Ec.

From coffee to cakes, Northwest's home economics department has what it takes. Supplied with the best teachers and equipment available, girls are readied for their future role as homemakers.

To achieve their goal, the department offers clothing, foods, and home nursing classes. Other popular courses include home management, family living, and child care.

Girls profit by working on such projects as skirts, jumpers, and dresses. In foods, girls learn the relationship between nourishing, well-balanced meals and good health.

Home management deals with the skillful operation of the home through careful thinking and planning for the welfare of the family, not only for the present, but the future as well. Many students find family living helpful in their daily lives. Students learn the different requirements that are necessary to maintain family harmony. The development of handling of small children is discussed in child care.

Thus, with the assistance of the home economic department, Northwest pupils acquire many useful skills for the years to come.

An interesting and useful course at NHS is sewing. Speakers from "McCalls" frequently visit to discuss fashions with students.

The industrial arts curriculum at Northwest covers all phases of drafting and teaches woodshop, electric shop and power mechanics.

Industrial arts provides the key to the door of the complicated business world. Here at Northwest, approximately 479 students have picked up this key for their personal use in life. These students are instructed upon the basic fundamental skills necessary to enter industry. The different keys to enter the door of industry are: woodshop, electric shop, general shop, general metals, graphic arts, and mechanical drawing. All of these are available at N.H.S.

In the early phase of woodshop, Pioneers learn how to safely and effectively operate intricate machinery. Having mastered the mechanical aspects of woodshop, pupils proceed into carpentry. Finally, the advanced students apply their knowledge in the construction of cabinets and chests.

The electric shop introduces the world of electronics to interested Pioneers through radio and television repair projects.

Many prospective metalists are attracted to the excellent general metals class. This class stresses the principles of the metal trade.

O'Brien, Richard L.: Biology, Earth Science, Guidance; Indiana University, B.S., M.S.

Since our second year all 9B's entering NHS have taken a semester of orientation. They alternate between reading lab and orientation classes, where various guidance counselors inform them of three important facets of high school life.

Under Personal-Social, students turn in an interview sheet and an autobiography. They take personal preference tests to determine their main interests. In the field of education, pupils fill out study slips and plan their perspective four-year programs. Taking an occupational aptitude test and writing an occupational paper helps each student plan for his vocational choice. New freshman this year have had use of the new SRA and Chronicle occupational files.

The guidance department also helps juniors and seniors in selecting and applying for colleges and scholarships. Colleges are interested mostly in class rank, college board scores, personal recommendations, and financial need. Some industries also offer scholarships.

Over 600 Enrolled in Music, Art

Music and Art classes have developed greatly this year with new faculty, new equipment, new activities and re-newed enthusiasm for making Northwest known as a school full of entertainers and artists.

There are 262 students enrolled in art classes this year. They prepare contest pictures, design possible Vanguard and Northwest Passage covers and often lend their artistic talents to help beautify other departments. Their work decorates the Art wing and adds a colorful touch to the corridor.

Mr. Ted Moore, Head of the Art Department is very enthusiastic about a new slide collection owned by the department and used a visual aids for art history and appreciation classes.

Right around the corner from the artists are the Pioneer musicians. Under the supervision of Mr. Darryl Horton, 339 students represent Northwest in the Music Department. The major performing groups are Concert Choir, The Belles, Concert Club, A Band, B Band, the Pep Band, the Stage Band and the Orchestra.

Efficient Staff Performs Valuable Duties

Learning goes beyond books. Extra curricular activities play an important part in preparing our Northwest students for situations in which they need to be at ease. Through activities they are able to withstand constructive criticism, and meaningful praise. They develop mental awareness and learn to deal with people and profit from their relations with them. Finally, they learn the art of self-expression.

Activities

Forty of Northwest's top students, striving for character, scholarship, leadership, and service make up the National Honor Society. The four officers are symbolic of the organization's four goals. Candidates must be in the upper 10% of their junior class as well as the 15% of the senior class.

Members usher for special programs, such as open house, and assist with College Day. Also, each year National Honor Society sponsors one of the after-game dances in the cafeteria.

Quill and Scroll Members Plan Press Day

Students arriving to participate in the Marion County Quill and Scroll Press Day.

Quill and Scroll is the national honor society for high school journalists. To become a member one needs to be recommended by a teacher, and meet the national requirements. This year Northwest had six members.

Their main project was the preparations for the annual countywide Quill and Scroll Press Day held at Northwest this year. Quill and Scroll Press Day consisted of contests and sessions on the different aspects of a yearbook and a school newspaper. Two hundred students from all over Marion County attended.

Quill and Scroll also held its annual Publications Dinner at which new members were initiated.

Melody! Harmony! Countermelody! From 1:50 to 2:30 every day is a busy time for the 40 members of the NHS orchestra. The purpose of the club is to create an interest in music and to play for the enjoyment of all concerned. The musical group, which has grown to almost twice its original size in four years, reaches for this goal by giving various concerts during the year and playing special numbers for the Christmas program.

Some of the highlights are the orchestra contest and the regional and state solo and ensemble contests. Also, several members of the orchestra were chosen to participate in the All-City and All-State Orchestras.

Carrying the idea of school spirit to its limits, the Pioneer Marching Band performs in award-winning style for athletic events as well as for downtown parades and festivities.

Half-time melodies for all home football games were provided by the band. In addition, the band provided "Pomp and Circumstance" for the June commencement exercises.

Supplying music for the home basketball games was the function of the Pep band. Composed of volunteer musicians, the Pep band added snappy rhythms to the routines of the talented Silverettes. Tunes for the musical "Carnival" were furnished by Northwest's stage band.

NHS band marches on at half time of a football game.

Have you seen several girls running around the halls, seemingly with a baton always in hand? Well, chances are that these girls are members of Northwest's Silverettes. One of the attractions of the Northwest home games is the Silverettes performing at half-time. The 38 girls — 30 Silverettes and 8 majorettes — marched before the games (five girls forming the color guard), and did their routines at half-time.

Silverettes is a regular class (a ½ credit course), with a grading system of its own. This is a "select" class — the students have to try-out to be in it. Each spring, after 3 days of grueling practice and competition, the Silverettes for the following school year are chosen by a panel of judges. The majorettes and flag twirlers are chosen from this group.

Some of the Silverettes marched at the football Jamboree, and, despite freezing wind and smarting feet, the 38 girls marched in the annual November Christmas parade.

The routines are made up by the girls themselves. They performed at half-times to music from the band, and added a green-and-white border to the cheer-block during games.

Bubbly Girls Induce School Spirit, Pep

"We're with you team so fight . . . " was the battle cry of 14 spirited Pioneers this season. These dedicated young girls were NHS's 66-67 cheerleaders. The squad was composed of six varsity, five reserve and three freshman.

Boasting a great deal of athletic ability and strong vocal chords, the squad helped boost sportsmanship and school spirit. The girls were also responsible for planning of pep sessions and of the guiding of the cheerblock.

During the football season, our cheerleaders braved freezing wind, rain, sleet and snow to cheer the pioneers to victory.

The girls were trained in rhythm and uniformity at the Smith-Walbridge Cheerleading Camp for a week in the summer. They returned with new cheers, skills and knowledge of cheerleading.

Our cheerleaders were busy girls this year. They had practice, sponsored after-the-game dance, attended every game, and did school work.

Students Make Headlines and Deadlines

During the year Telstar staff members discovered that getting out the Telstar is a product of teamwork.

Even though not every Telstar worker gets a position on the New York Times, or becomes a second Ernie Pyle, experience on the school newspaper provides a basis for better evaluation of professional papers. They learn the principles of layout and printing, dependability as they meet deadlines, and to write headlines to attract the attention to the news stories, as well as other various skills.

Senior Marlene Evans was editor-in-chief the first semester and senior Denise Fletcher was editor the second semester. Miss Gwen Hiett was the adviser.

Busily putting Telstar together are (standing) Jean Ann Mughmaw, Mary Orders, Becky Mitney, Sally Chasteen, Jim Reed, Jose Sanchez, Mary Blake. Sitting are Nancy Williams, Donna Shouse, Denise Fletcher, Becky Richards, Bob Kirkpatrick, Penny Christoff.

Editor Denise Fletcher shows pride in the Northwest Telstar.

Long Hours of Hard Work Come to an End

Pictures are carefully taken and chosen. Charles Jeffras and Nancy Williams compare photos for publication.

Vanguard staff members began work in September on the long job of publishing this year's annual. Selection of a theme and planning of a layout for Vanguard is only the beginning. Many long hours of hard work are necessary for publication of Northwest's yearbook. They also helped the Quill and Scroll in the planning of Press Day.

Relating the story of one school year through pictures and writing is not an easy task. Twelve editors, the associate-editor and the editor-in-chief are responsible for the book's success. Vanguard has received a first place rating in the C.S.P.A. and N.S.P.A.

Hard workers were needed to sort underclass pictures. Sally Chasteen, Donna Sanders, and Meg Gano were three.

Index editor Ruthann Legge and novice Linda Ott worked untiringly pasting and indexing the annual.

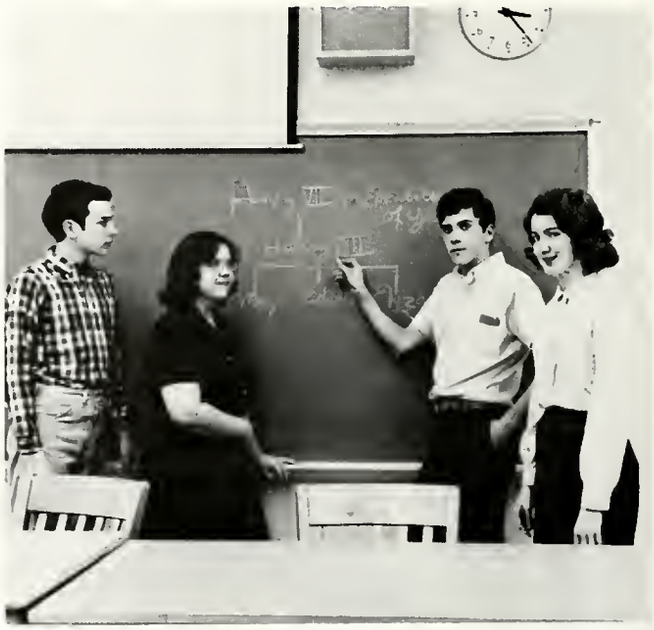
History Clubers Hold Serious Discussions

Each week 25 Pioneers gather to combine their knowledge and try to stimulate each other through serious discussion about history.

Earlier this year the club sent representatives to the Children's Museum to act as hosts and hostesses at Indiana's Sesquicentennial Observance.

Mr. Cleve Thrasher was the club sponsor the first half of the year. Jim Cox is president of the club; Cheryl Grubbs is vice-president; secretary is Rhonda Mormance; Lonnie Huber is the sergeant-at-arms; and Victoria Wetzel is the club reporter. Mrs. Nancy Steptoe took the position as club sponsor the second half of the year.



History Club officers are: Lonnie Huber, sergeant-at-arms; Cheryl Grubbs, vice-president; Jim Cox, president; and Rhonda Mormance, secretary.

The national society which honors the students who have shown interest, ability and hard work in the field of drama is the Thespians. A person must earn ten Thespian points before being initiated in the Thespians. He does this either by participating in the plays or working backstage and on committees for plays. N.H.S.'s troupe of Thespians have contributed in many ways in the production and success of the school plays. Many have been the chairmen on the various committees, of which Pioneer Players serve as members. These experienced Thespians teach known facts about the theater to the willing and open ears of the Pioneer Players.

The leading male Thespians presented a one-act play for the N.P.T., on February 1, 1967. The play, "If Men Played Cards As Women Do", was appropriately given to an audience of men and women. It was directed by Steve Reddick.

This March the N.H.S. Thespian troupe installed a new troupe of Thespians at Brownsboro. They installed the officers as well as the members.

This May the N.H.S. Thespians held their annual initiation of new members. A dinner was given for the workers of the plays and their parents.

Senior Mike Norton was president for this year's Thespian troupe. Steve Reddick, Janet Huber, and Cynthia Jessup held the offices of vice-president, secretary, and clerk respectively.

Boys work on scenery in preparations for a play.

Encouraging student participation in theatrical productions is the purpose of the Pioneer Players. Recently formed from the combined Speech and Drama Club, Pioneer Players now represents NHS' sole amateur dramatic society.

Various phases in the history of the theater were introduced to members through reports by Thespian volunteers. To demonstrate the different types of drams, a skit of an entirely different nature was presented at each meeting.

In addition to their attendance of meetings, many members donated their time and talents to help present three productions. Four committees were formed to run the before hand preparations.

The costume committee located, and in some cases made the assorted wardrobes prescribed in the scripts. Applying make-up for the nervous performers was the job of the make-up committee.

Publicity for the plays was handled by the publicity committee. Lastly, the prop committee supplied the productions with such celebrated items as a "zebra trap", and a "sword box."

Senior Judy Gagen served as president of the club while junior Paul Hanft and sophomore Paula Parker occupied the positions of vice-president and secretary respectively.

Portraying their parts in "Carnival" are Doug Cassman and Barbara Tipps.

Home Ec, Red Cross Serve Others

The Red Cross Club's purpose is stated simply, and yet can be sometimes hard to do; to help others.

Before Christmas, the 12 members participated in "Dress a Doll". This included making an entire wardrobe for a doll, to be given to a little girl who had never owned one before.

The Red Cross has also been working hard to help their country by making friendship kits to send to Viet Nam.

The Home Economics Club is new at Northwest this year. Sponsored by Mrs. Ellen Stern and Mrs. Becky Ennis, the members further their homemaking preparations in sewing. The club came into existence towards the end of the fall semester. Delana Pruitt is president, Elaine May is vice-president, Connie Andrews is secretary and Jo Ann Bell is treasurer.

Mr. Kenneth Smartz and Sandra Hardman, president of F. N. A. take pride in the National Charter recently received by the club.

Today's young enthusiasts of the nursing field will be tomorrow's nurses. Many of the N. H. S. girls start their career by joining the Future Nurses Club.

The purpose is to promote interest in health careers and explore them. They become acquainted with health agencies and facilities in the community. Future Nurses also make cancer dressings for the Little Red Door, and Public Health Units to gain more knowledge of modern nursing techniques.

Sandra Hardman is president, vice-president is Patricia Wilson, secretary is Linda Burnicle. Future Nurses Club is sponsored by the school's nurse, Mrs. Lillian Resnick.

Cub Clubers Work In Concession Stand

The frosh class of '66-'67 really have a good thing going!

Cub Club is open to only freshmen. Here they are taught the basics of journalism and photography. They contribute to the well-being of Northwest High School, and operate the concession stand at home basketball games. The members strive to create school spirit from journalistic writing, and to attain proficiency in all phases of writing. Their goal is to become best all-round club in Northwest High School.

A member must maintain a high academic standard to remain in Cub Club. No member is allowed to have a "D" on his report card or he is inactive for the next six weeks period.

Carolyn Wilson assumes the position of president this year, along with Diane Miller who is vice-president and Susan Ott is secretary. Miss Maureen Cunningham, Director of Publications, sponsors the club.

Members of Cub Club are caught in the rush as they work in the concession stand.

Loyal Pioneers Wear Green and Silver

Excitement fills the crowd as the cheerleaders lead the Pioneers in their favorite chants boosting the team.

LETTERMAN OFFICERS—Treasurer, Bob McKee; vice-president, Tom Beckman; secretary, Mike Harris; and president, Loren Geddes.

Adding color and enthusiasm to Northwest's school spirit are the cheerblock and the Lettermen. The faithful members of the Cheerblock, sponsored by Mrs. Shirley Thompson, gym teacher, met once every week after school practicing yells, motions, and formations — in order to reach perfection. The cheerblock in their green and silver capes instilled spirit and excitement at the home games.

Winning a letter at Northwest automatically brought the honor of being a member of the Lettermen's Club. Members donated their time to usher at the Coliseum Sectional. The Lettermen's Club is a necessity to the school for it unites the school and its students with the bond of loyalty. The Lettermen's Ball was held April 21st in the cafeteria. Senior Pam Riggs was crowned queen.

The key to success is the knowledge of business. The fundamentals of it can help anyone from a bricklayer to the President of the United States.

Approximately 35 students realize this fact and try to better themselves in the field of business. These students are the members of the Business Activities Club. Their purpose is to achieve a better understanding of everyday business practices. They are also informed of the opportunities that await them in the world of business.

The Business Activities Club's activities are both eductional and interesting to all who participate. The activities range from guest speakers to a style show. In each activity the members learn and realizes the importance of a good business background.

The Business Activities Club is proudly sponsored by Mrs. Grubbs. The president is Mary Lamkin. Vice-president and secretary are Sharon Pavach and Nancy Arbuckle respectively.

President of Northwest's F.T.A. Shirley Mumaugh consults Mrs. Femie Richie on student test papers.

To enter the teaching profession is the goal of many NHS students. Approximately 22 students furthered their ambition by joining the Future Teachers of America Club.

Sponsored by Mrs. Phyllis Loffland, the club gives prospective teachers advice upon their chosen profession. Guest speakers and visits to various institutions revealed the many different phases of teaching.

In March, the club visited the Women's Prison and the superintendent gave a lecture on the prison's education program. A trip to the Blind School showed club participants the special equipment and training necessary to educate these children.

This year's officers consisted of Shirley Mumaugh, president; Linda Cockrell, vice-president; and Sharon Pavach, secretary.

Not every person has an opportunity to travel around the world. Our International Club is the answer for 15 NHSers. They travel worldwide by means of slides, pictures and guest speakers who are here from foreign countries.

The purpose of the club is to promote closer relationships between students and people of foreign nations as well as to promote interest in foreign languages.

The officers of the International Club are Jose Sanchez, president; Julie Price, vice-president; Rhonda Mormance, secretary and Thom Mormance, sergeant-at-arms.

The club meets on the second and fourth Thursday of every month and is sponsored by Mrs. Ruth Nelson, Spanish teacher.

Customs and daily life were discussed when foreign exchange students visited the International Club.

Foreign Clubs Inform Pupils of Customs

Latin may be thought by some to be a dead language, but the members of the Latin Club at Northwest are full of bounce and pep. Meeting twice a month, this club has many accomplishments to its credit. They have joined the Junior Classical League and attended the State Junior Classical League Convention, along with a presentation of a Roman play.

Attending plays and banquets given by other schools is also a favorite of this club's members. To explore the field of Classic's beyond the classroom is the main purpose of the Latin Club.

Le Cercle Francais endeavors to give students studying French an opportunity to experience French outside of the classroom. During meetings of Le Cercle Francais, the members speak French while playing French games, participating in impromptu role playing, and singing French songs. Discussions of the culture of France is also a large part of the meetings.

The main event of the year for the French Club was the presentation of one-act skits at Christmas. All members participated in at least one of the skits.

GAA Forms Mind, Body, Sportsmanship

To develop the body as well as the mind and to encourage good sportsmanship among girls, the Girl's Athletic Association was established in Northwest High School.

GAA gives the athletically inclined girl a chance to participate in sports. The members enjoyed vollyball and apparatus work during the winter months. Spring activities include softball and kickball.

Friends, fun, and athletic skill were derived from the sports by those girls who participated enthusiastically.

Beverly Salzer, Janis Milan, Bob Kirkpatrick, Janis Schreiber and Earl Poindexter practice debating.

Enthusiastic NHS speakers gain the experience and opportunity of speaking before groups through the Speech and Debate Club. They become acquanted with the purposes of speech and its career possibilities.

The speakers and debaters participated in contests with students throughout Marion County. They also observed other students in their activities.

Debating taught the students quick thinking and fast talking. To win a debate one must be very factual and concise in his information or his opponent may get a chance to cut him down in his rebutal.

This year Mrs. Linda Stone sponsored the club.

A Northwest athlete is many things. Whether he may be torturing himself by sprinting the last 100 yards of a cross-country race, trying in vain to come back from 10 points behind in the closing minutes of a basketball game, or running with everything he's got to home plate with the winning run he is a real Pioneer. He discovers the pride of doing his best in a heartbreaking loss. Through three seasons of various sports NHS athletes are Real Pioneers.

Hopes Are High as Season Ends in Success

CROSS COUNTRY TEAM—First Row: student manager Jeff Wyatt, Dan Ransdell, Clarence Baker, Bill Hicks, Alan Harper. Second Row: Coach Vernon McCarty, Larry Smith, Mike Cranfill, Stanley Miller, Dan Pfaff, Charles Thomas.

Northwest's cross-country team has wrapped up one of its most successful seasons of our short history and promises even better ones for the next two years. Our varsity, consisting of one freshman, two sophomores, five juniors and only three seniors, explains why the future is bright for cross-country coach, Vern McCarty. The team was hindered early in the season with injuries. Senior Charles Thomas was slow getting started due to severe leg burns and Larry Smith, also a senior, was out after the first meet with a neck injury he acquired two years ago. The harriers built up steam as the season rolled on and were lead by senior Mike Cranfill, and freshman Bill Hicks. Bill set just about all records possible including the N.H.S. 1½ mile record (7:45) the 1½ N.H.S. course record, and the freshman 2 mile record (10:20). Bill also won first place in the freshman City Cross-country meet, followed by team won their city title with Danny Ransdell finishing second and Clarance Baker third. The freshmen ended their season with eight wins and 1 loss record, the reserves with a 6 win, 1 loss, and the varsity squad had a 5 win, 4 loss record.

Vigorous training is essential to B. Hicks, C. Baker, M. Cranfill, and C. Thomas. The teams run about 15 miles every day.

Gridders Mark Best Season with 6-3-1

New jerseys, as shown by Coach Hamman, were just one of many new assets sported by the Pioneer gridders in their best season.

The first four-year products of the Northwest football put together the best record in the brief Pioneer history with a mark of 6-3-1. Powered by a pro-type passing, the senior-lead gridders won five of the first six contests in rugged city and county competition.

Following the opening game loss at Broad Ripple, the Pioneers bounced back to win from the mammoth Shortridge Blue Devils in the last 56 seconds of the game, 14-7, on Terry Miller's return of a pass interception 76 yards.

After winning from Arlington, Chatard, Southport, and Bloomington, the injury-riddled Pioneers dropped two to city powers Howe and Scecina. Ben Davis then felt the brunt of the Pioneer ground game.

Experience Pays as Thirteen Seniors

VARSITY FOOTBALL—Front Row: T. Miller, T. Buckley, T. L. Beckham, R. Burcham, D. Erhardt, R. Pottenger, D. Lange, L. Geddes, M. Hider, D. Dotlich, M. Bealmear, L. Stevens, D. Hayden, M. Harris, D. Riggins. Second Row: J. Hruban, S. Irwin, S. Snyder, D. White, B. Larkerbrink, S. Spurlin, M. Switzer, C. Weldon, R. Ragland, Coach Hamman, Coach Cousineau, Coach Brown. Third Row: K. Sipe, M. Fredericks, D. MacClellan, B. Chaleff, M. Panarisi, B. Ripley, D. Lawson, J. Quade, G. Poulus, R. Cannan, D. Dotlich, J. Crossley, G. Doolin.

Northwest's football team continued surprising people as the squad pushed North Central, rated the eighth best team in the state, to the goal line five times but failed to score in a 0-0 tie game. The game was marred by 3 inches of water covering the field and freezing temperatures, thwarting any idea of throwing the football.

Roy Pottenger, senior quarterback, led all Pioneers in post-season announcements, being named All-City quarterback. Pottenger's big game of the season was against the Chatard Trojans when he passed 34 times completing 21 throws for 270 yards.

Terry Miller and Tim Buckley were Pottenger's favorite receivers. Miller set a school record as he caught 10 passes for 120 yards, and Buckley received five touchdown throws for another record.

During halftime coach Jack Brown discusses plans for a second half come back. The team won 5 games in the second half.

Letter, Four Juniors Back to Bolster Team

RESERVE FOOTBALL—Front Row: Ron Ikemire, Jeff Kendall, Ron Hedges, Marc Panarisi, Lee Engledow, John Doll, Chris Weldon, Richard Canaan. Second Row: Darrell George, Terry Daughtery, Bob Chaleff, Bill Larkerbrink, Tom Jacobs, Dennis Dawes, Gary Doolan, Maurice Fredriczs, Brent Junkins. Third Row: Coach Brown, Mike Switzer, Jim Quade, Duane Lawson, Jim Crossley, Dave McClelland, Steve Oprisu, Kenny Sipe, Bill McKinley.

Reserve football team started the season with a loss to Broad Ripple, but came back strong with two victories over Shortridge and Arlington and a 6-6 tie with Chatard. The final half of their season consisted of four straight wins over Southport, Howe, Scecina, and Ben Davis and a loss to North Central. The outstanding feat of their season was 26 point comeback to defeat Ben Davis' Giants 26-20.

Chris Weldon, sophomore quarterback, led the offense together with Ken Sipe, junior end, and Terry Daughtery, junior halfback. The trademark of the reserve team was "comeback", as they won five contests in the second half.

Coach Jack Brown retires to Manual to accept a position change, and leaves behind an impressive record of 10-8-1. Mr. Brown coached the 1965 city-champ reserve football team, and is responsible for the development of such outstanding players as Roy Pottenger, Terry Miller, Maurice Hider, Loren Geddes, and Tom Beckham.

The line awaits quaterback Roy Pottenger's command to charge against Chatard. The previously undefeated Trojans fell 19-0.

Terry Miller stretches to catch a pass during a 6-0 victory over Southport. Miller, a converted end, finished the season at halfback.

B. McKee Leads Team to Tenth in State

Senior Bob McKee became Northwest's first wrestling state champion. McKee won the 112 pound division with a victory over Ken Stigall of Calumet in the afternoon, and by defeating Steve Hays 3-2 in the final match. The state championship added to an impressive season record of 24 wins and 1 loss.

State-champ McKee poses in the familiar on-your-mark position. Bob became our school's second state champ.

A four year wrestling letterman, Don Dotlich awaits his match and looks on as a teammate wins points in one of the teams 8 wins.

FRESHMEN WRESTLING—Front Row: Mike Bell, Terry Boring, Mark Wright, Mike Donahoe, Clay Geran, Chris Gossett, Terry Bewley, Ron Steinmetz, Harold Scudder, Bob Doll, Mark Young. Second Row: Coach Hamman, Dave Walters, Steve Saligoe, Greg Peele, Daryl Inskeep, Brian Shelley, Rollin Farrand, Laverne Hines, Tim Burge, Brad Riggs, Dave Poindexter.

WRESTLING TEAM—Front Row: Greg Dill, Alan Fuzesi, Denny Allison, Bob McKee, Don Dotlich, and Joe Grimes. Second Row: Dale Dotlich, Loren Geddes, Maurice Hider, Steve Snyder, Steve Dotlich.

Grapplers Finish Best Season at 8-4

Coach Tom Cousineau took over the job of wrestling mentor, and calmly pulled from his bag of tricks an impressive 24-10 record on all levels, and a tenth place finish in the state.

The record has a few supplements to add also. Bob McKee became the first Northwest wrestler to win a state title. Bob also won the Ben Davis Invitational, placed second in the city, and had an outstanding 4 year record of 63-12-1.

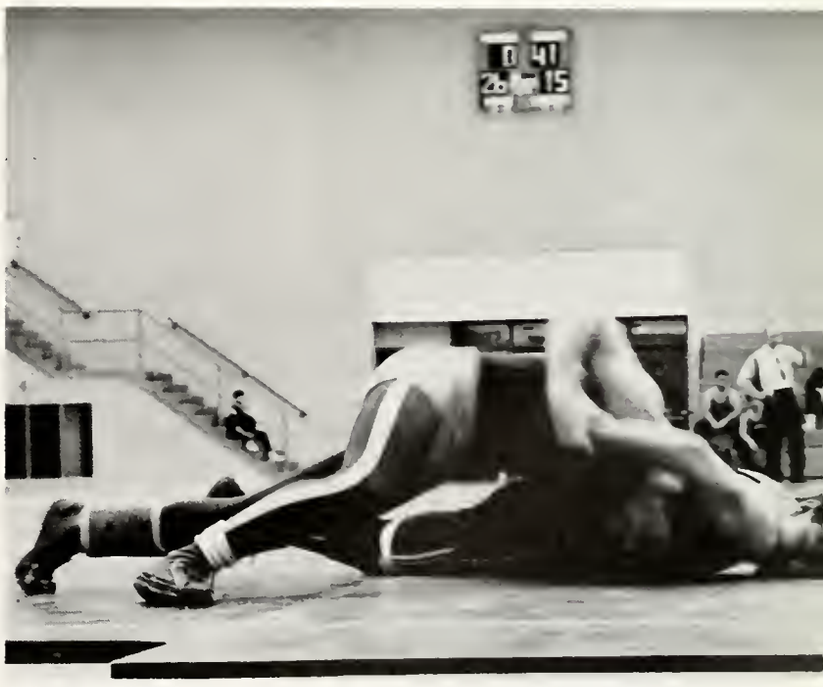
Don Dotlich ended a terrific four year career in the regional tournament. Dotlich lost to his city rival Mike Lentz after a sectional win.

On the reserve level the team compiled an 8-4 record; identical to the varsity.

Reserve standouts were city champion Joe Grimes, and Ted Metcalfe.

The freshmen, as in all sports, were impressive enough to have the best grappling record. Their 8-2 record was highlighted by Dave Walters victory in the city. Steve Saligoe, Mike Bell, Greg Peele, and Walters were mainstays for the frosh.

Underclassmen also played an important role as the team rolled to its best season so far.



Both wrestlers are close to the mat as 165 pound Loren Geddes hands Arlington's Bob Brown one of his few defeats of the season.

VARSITY BASKETBALL—Front Row: Roy Pottenger, Dick Rice, John Drake, Mike Crouch, Mike Riese, Terry Doyle. Second Row: Pete Miller, Steve Cooper, Bill Humphrey, Denny Dodson, Dave McClellan, Charlie Jones, Steve Brookie. Third Row: Coach Ritter, Coach Stone.

There's Only One Way To Go—Up

The 1966-67 edition of basketball at Northwest was indeed a disappointing one. With only one returning letterman, and faced with one of the toughest schedules in the state, the Pioneers were not expected to match their 15-8 record of the previous year. However no one suspected that the season would be a 1-20 disaster. After opening the year with a hotly contested 59-52 loss to Manual, the Pioneers dropped seven more straight before recording their first victory of the season, a 63-60 conquest of Decatur Central. The team then proceeding to drop the next twelve straight, including a 96-65 thrashing by Lawrence Central in the Colliseum sectional. However, six of these 20 setbacks came by less than four points, and six more came by less than nine.

The season was not a complete waste, however, for five underclassmen gained valuable experience in varsity competition. Certainly things will improve, there is only one way to go, up.

A man to man defense was used by the Pioneers during the year. Here, Roy Pottenger picks up Jeff Rhodes crossing the time line.

Leaping high to block a shot is 6'4" center Dave MacClellan. "Mac" also added strength to the Pioneers' rebounding.

Ahead of two Arlington foes, guard Roy Pottenger eyes the hoop for lay up. He led the team in scoring with a 10-plus average

A pioneer trap is applied by Dave McClellan and Roy Pottenger. The trap worked, but Ben Davis eventually won the game, 49-76.

Reserves Continue Mastery: 11-10; Frosh

RESERVE BASKETBALL—Front Row: Ron Hedges, Marc Panarisi, Alan Schwartz, Mickey Dodson, Dean Bennet, and John Warner. Second Row: Coach Stone, Ted Young, Ken Stout, Max Neiman, Mike Larason, Bill Hicks, and Coach Ritter.

Dice Rice reaches and looks anxiously at the rebound "that got away." Dick got more than he lost and was a backboard stalwart.

Coach Don Stone continued his mastery over reserve city competition as the junior varsity basketballers recorded a 11-10 season mark.

The season mark was highlighted by a semi-final berth in the city championship.

An early season promotion of several key players put a hamper on the team. Bill Humphrey and Dave McClellan led the team in scoring despite their advance to the varsity.

A scramble for the ball seems to form a "chorus line" of players in Northwest's one-point loss to Ritter in the city tourney.

Win 9 of 16 Starts

This year's freshman team registered an 9-7 record under Coach Jim Ballinger. After a slow start in which they lost their first two games, they came back and won their next five in a row. They went into the city tourney with a 5-3 mark. In the city tourney they beat Wood in the first round, but lost to Tech in the second round the eventual runner-up to the city freshman crown.

At the semester break the top seven frosh were put on the junior varsity.

There are many talented freshmen players this year that could put Northwest on top in the city in the near future. Future hopefuls include: Mick Dodson, Ken Stout, Max Niemann, and Mike Larrison. Freshman Ted Young, a reserve mainstay, is a promising prospect.

"Hawking" Ben Davis' Bill Abel is 6'2" forward Dick Rice. The Pioneers suffered a 49-76 loss to the County Tournament Champs.

FRESHMAN BASKETBALL—Front Row: K. Rumple, A. Schwartz, J. Ellis, B. Jacobs, M. Dodson, and R. Schnitker. Second Row: R. Rutherford, B. Tipps, D. Beuke, E. Schlake, K. Keene, B. Hicks, M. Leamon, and R. Oprisu. Third Row: M. Landreth, M. Nixon, K. Stout, T. Young, M. Niemann, M. Larrison, R. Eulliss, and H. Bradley.

Southpaw Senior Shines in Seven Win

RESERVE BASEBALL—Front Row: S. Harfield, S. Downard, W. Anderson, J. Drake, L. Haker, R. Stahl, E. Poindexter, P. Smiley, D. Rice. Second Row: G. Dill, J. Shearer, L. Clayton, C. Jeffras, J. Jones, Manager, Art Garrett, Coach Brown.

Season: Team Finishes Second in City

BASEBALL—Front Row: J. Loman, R. Smith, T. Beckham, D. Dodson, J. Gentry, D. Rice, L. Stevens, E. Poindexter. Second Row: G. Shinkle, K. Salzer, D. Turner, J. Pearson, R. Pottenger, M. Bealmear, D. Riggins, Coach Stone.

The varsity baseball team, paced by the coaching of first year Don Stone, showed enough power to finish second in the city standings. Southpaw senior Rod Smith set all Northwest pitching records in his three year career as Northwest compiled a 9-5 record.

Smith set the Northwest E.R.A. record with a 1.08 earned run average. He also set records for the most victories, most complete games, best average, and most games pitched.

Besides the season records set by Smith, he is also responsible for many individual marks. Against Chatard he struck out 17 batters, only to lose on fielding errors. The 17 strike-outs were the most strike-outs recorded by Smith, but it was only one of seven times he retired more than 10 batters in a game.

Senior Denny Turner led all Pioneers in batting with a .354 average. Returning letterwinners are M. Bealmear, K. Salzer, R. Pottenger, T. Beckham, D. Dodson, G. Shinkle, and L. Stevens.

Smith was voted to the Star All-city team as a pitcher. Other members of the All-City mention were: Stevens, catcher; Mike Bealmear, outfield; and Salzer, short stop.

Freshman played an important role in a rebuilding year for the junior varsity baseballers. The team, coached by Jack Brown, lost more than they won in a season.

Jim Shear, Scott Collins, and Jim Jones paced the team as underclassmen. Shear, and Jones will contest the open spot in the varsity infield with junior Earl Poindexter.

Sophomore Mike Swathwood worked behind the plate along with backup Charles Jeffras. Collins, and Steve Downard combined for the pitching duties for the reserves.

Leading hitters for the J. V. were Poindexter, Swathwood, and Mike Wellington.

Straining at the bit, Barry Ripley and Danny Ransdell "tow" teammates before weather permits outdoor track practice in the spring.

Trackmen Compile 5-1 Record For Season

For the second year in a row Northwest trackmen compiled an outstanding 5-1 season record. The thinclads defeated Speedway, Scecina, Decatur, Noblesville, and Arlington. The only loss of the season came at the hands of Wood.

Brett Keene, 1965 state champion half-miler, ran faster in the finals this year than his winning time the previous championship, only to finish third in a very fast field.

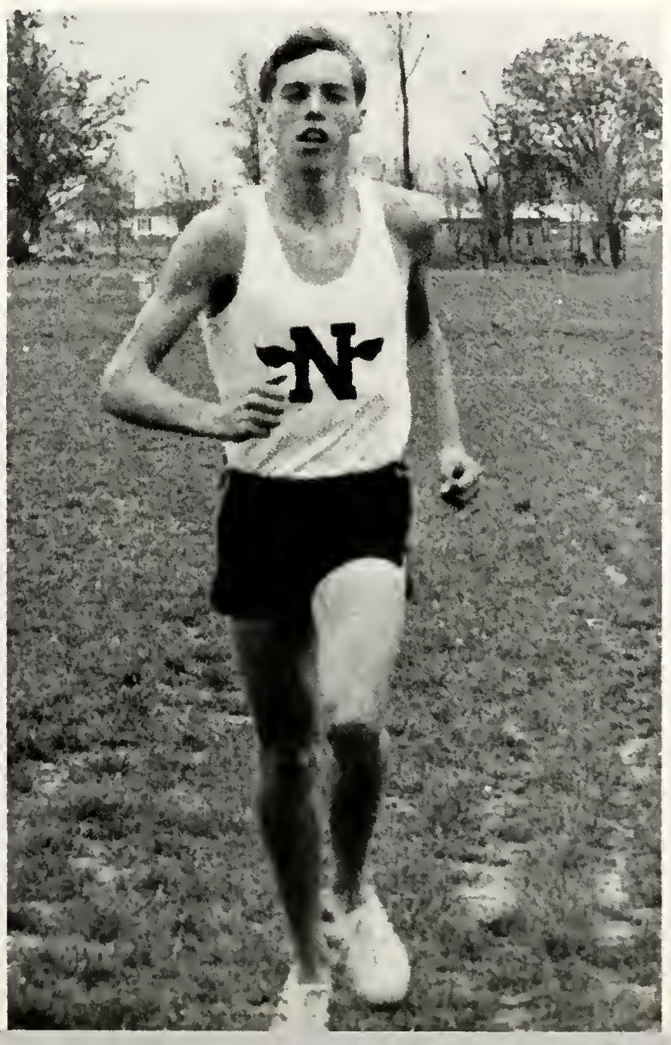
Dave Busby set an automatic record, 9:48, as he won the first running of the two-mile event in the city trials. Busby developed an illness later in the season and took the backseat to junior Charles Thomas in the two mile running.

Keene and Thomas both placed third in the sectional event, and were the only Pioneers to qualify for the regionals.

A good jump is the result of excellent timing and good training. Pete Miller tries to combine these for a successful leap.

Bob McKee received his letter jacket and a standing ovation at the 1967 winter sports award day.

Keene Finishes Third in State Race



Returning to this year's track team were an assortment of lettermen. Seniors Charles Thomas, Mike Cranfill, and Larry Smith returned to run distance events, Alan Harper, Bernie Terhune, and Dan Pfaff were responsible for the mile run, high-jump and pole vault, and hurdle events respectively. Bill Hicks and Clarence Baker held up their end of the underclass section after lettering the previous Cross Country season.

Lost by the 1966 graduating class were such standouts as state champion Brett Keene, city-champ Dave Busby, and recordsetter Tom Doyle, in the low and high hurdles. Terry Cassman and Alan Marple were lost from the 440 and 880 races.

"A promising Frosh" . . . B. Hicks has 3 more successful years after establishing almost every freshman running record at N.H.S.

Golfers Cop First City Championship

Paced by senior Mike Stoyonovich, and two freshmen, Bill Humphrey and Mark Wolfla, the Pioneer golf team brought to Northwest its first city championship. Stoyonovich, last year's medalist in the city, captured second place in this year's classic.

Humphrey, who was the Indiana State Champion in the 1964 Hole-in-one contest, and Wolfla, 1966 Indianapolis city Junior Amateur champion, were erratic at times, but put together good enough rounds to land varsity berths.

Junior Steve Bright lead at the end of the first days competition for medalist honors, but skied to a 41 the second day, and a fifth place tie. Bright, Don Lange, and Charles Nicholas were consistent juniors and will return to bolster the 1967 Pioneers.

All NHS athletes receive their awards at one of three all-school convocations following each sporting season.

Members of the 1967 golf team were Bill Humphrey, Tim Buckley, Don Lange, Charles Nicholas, Mark Wolfla, and Coach James Albright. Steve Bright is not pictured.

Practice makes perfect is Tim Buckley's thought as he addresses the ball. This kind of practice netted our first City Championship.

"Nick" Nicholas and Mark Wolfla compare clubs during a practice session. Wolfla was the 1966 City Junior Amateur Champion.

Managers for the 1966-67 year were Steve Benford, Martin Landreth, Mr. Peter Davis, and Art Garrett.

1966 Is Best Year Yet For Tennis Team

The 1966 tennis team experienced its best season in the school's history. The team completed the season with five victories against eight defeats.

Coached by Bruce Hamman the team defeated Chatard, Kennedy, Attucks, Washington, and Tech.

Sophomore Mike Riess had the teams best effort, winning seven and losing six. Next year Northwest will have two returning lettermen and a new coach, the fourth in four years. The team is hoping to better its record in the coming 1967 season.

At home practicing is first man Steve Benford. This junior has been first man for three years, and sparked the team in 67.

Coach Thompson's whimsical quips are used to pep up his first two men, Benford and Riese.

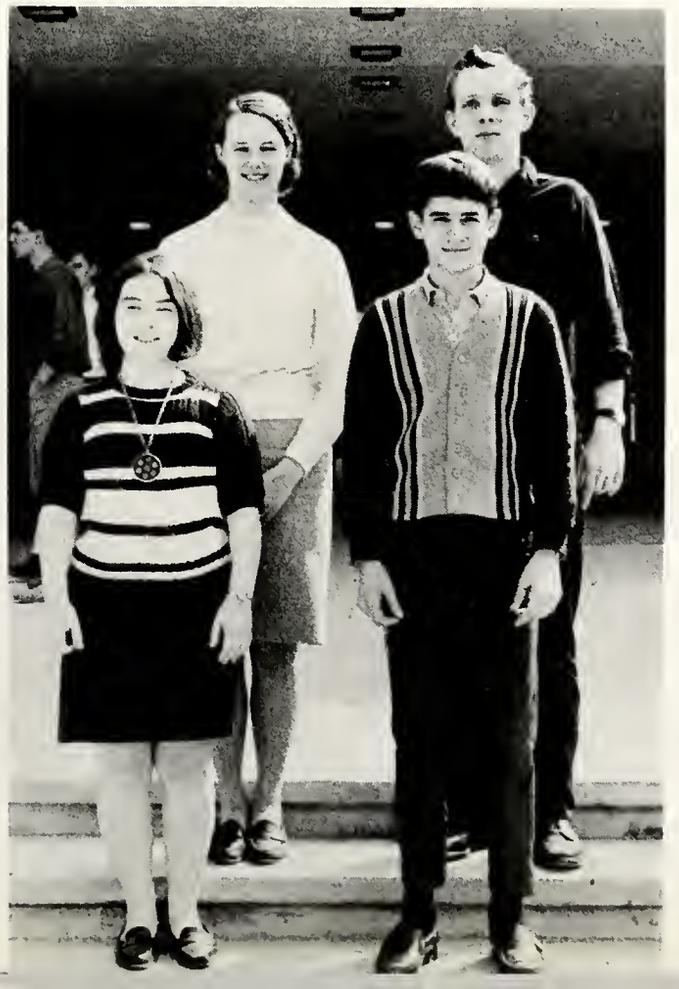
"Green Goose II" is shown here being presented to the school. The bus carries N.H.S. teams to and from contests.

Bowling, Softball, Top Intramurals

Bowling champs were Susan Byrd, Donna Cullom, and Bob Bradfield.



Beginning with the Northwest Bowling League in the last portion of the first semester, the NHS Intramural Sports Program is an integral part of the after school activities of many boys and girls. One night a week for approximately 7 weeks, teams comprised of two boys and two girls meet in competition at the Eagle Bowl. Following each season trophies are presented to winning team members, individuals with the highest average, high game, most improved over last year and a host of other categories.

The NHS Intramural soft ball league was initiated last year and the winning team, the Cardinals with a 7 and 1 record, earned the right to play the teachers at the end of the season in the last of May.

Through the eyes of the faculty they are pupils to be taught. To each other they are friends to be with, to talk to, and to look up to. They are student leaders, they are athletes, and they are the life and vitality of Northwest. They are the seniors, the juniors, the sophomores, and yes even the freshman. They are individuals first, but as anyone of them will tell you proudly, they are all Real Pioneers.

Album

The freshmen class of 1970 began their first year of high school with a "get acquainted" party. The Dance Band provided music, and many teachers were there to welcome the 461 students.

Everthing at NHS was new to them. Each person got a locker to himself and then the Frosh were on their own. Clubs sponsored by the school were opened to them. Cub Club is organized for freshmen only. Pep assemblies were new for the 9B's. These sessions gave them a chance to show their school pride and spirit.

Three exciting, challenging years await them for the experience and privilege of being a student of Northwest High School.

Sophomores Lose Stadium Fund Contest

To compensate for their loss of the contest the sophomores presented to the rest of the student body a talent show featuring "The Supremes", a fashion show, a modern jazz dance, and a pom-pom routine.

The pupils returning for their second year of high school found the routine a little more familiar than one year ago. Four girls were reserve cheerleaders, and 14 students took part in student council.

The big day in a sophomore's life is the day he orders his class ring. Although he must wait six months before he receives it, realization occurs after it is ordered.

Cheerleader Cathy Polsgrove and Mr. Smartz urge fans at basketball games to make a wish and give to the NHS stadium fund.

Preparing for the third edition of **Northwest Passages** are Nancy Huisman, Simmie Smiljanic, Paul Hancock, Ilene Donica, Gail James, and Sharon Ball.

Class rings, chemistry classes, PSAT's, and a prom marked the third year of high school for Northwest's 453 Juniors. Being the smallest class at NHS did not keep the Class of '68 from achievement in every phase of school life. The Juniors gave the most money to the Stadium Fund; the staffs of *Telstar* and *Northwest Passages* consisted mainly of members of the class of '68; and the junior boys who served in reserve teams are now ready to take varsity positions next year. Juniors were also active in clubs and other extracurricular activities.

Class of '67 First Really True Pioneers

Northwest boasts its first four year graduating class this year to make N.H.S. Pioneers, Class of '67, really pioneers. The senior class is the first class to complete their freshman through senior years at NHS marking the beginning of a totally all Northwest high school. The new experiences of high school were equaled only to the unknown halls they walked in. Formal dedication of the city's newest school was in the early spring of '64 as Northwest launched a story to be continued.

Usual activities of grades, games, dances, and classes filled hours for the sophomore student. The buying of class rings that year brought in the round rings, a first at N.H.S.

Careers and college plans were begun in the junior year. Aside from regular activities, the Junior Prom, and the all-school production of "Music Man" captured the class attention that year. NHS also hosted the sectionals at the Coliseum and we played in the final game.

College entrance tests and acceptance, important to all seniors, proved that the class of '67 was in its last phase. Traditional senior class events, Senior Class Day, Senior Prom, Vespers, Commencement closed the high school career of the 382 class of '67 members. When last years' activities have faded to memories, we will still remember the honor of being Pioneers, the really first true Pioneers.

Officers initiated last fall by Mr. Smartz are D. Rice, president; L. Whitsell, M. J. Zwerner, T. Buckley, and P. Blake.

Graduates Finish 4 Year Pioneer History

A Pioneer's senior year is the most active and important one. From September until June, the student's mind is filled with ideas of future plans. Senior class officers were elected in the fall and organization of various committees began. The gift committee, the first to meet chose to give the school a portrait of Mr. Smartz. Name cards and announcements were next on the selection agenda and then cap and gown measurements were taken reminding everyone that June 7th was not that far away.

College Day and Career Day helped seniors decide on their future in the outside world.

Besides planning for the future we acted like seniors in other ways too. We had senior dress up day twice during the year. Seniors were second in the stadium drive campaign, and first at the honors day assembly.

The final week of school in June was crammed with rehearsals and instructions and more practices.

Senior Prom, at the Indiana Roof, was followed by Vespers and then commencement exercises which all created enduring memories for the Senior Class of '67.

Senior D. Prewitt is measured for her cap and gown.

Vanguard Completes Fourth Year Too!

Putting a year into 152 pages involves more facets of journalism than can be imagined. The people, places, and things of '66-67 had to be put into a concise, interesting, and, most importantly, accurate book to be kept and read over and over again. The work of producing such a book has been the job of the '66-67 Vanguard Staff.

Roger LaForge served as Editor-in-Chief. Niki Craig and Shari Fortier were the leaders of the business end of the venture. Niki acted as Business Manager while Shari held the job of Circulation Manager. The all important position of copy editor was held by Donna Sanders. Meg Gano acted as Senior Editor while Linda Brunson took care of the underclass section. Nancy Williams headed the Activity Section Staff and Kean Salzer was Sports Editor. Leslie Norman acted as Faculty Editor. Charlie Jeffras and Mike McFarling served as Photographers and Vicki Leonard held the post of Art Editor. Ruth Legge was in charge of the Index. These editors have tried to meet all the qualifications a good yearbook now, and a great one in year's to come.

Professional credit is extended to Associate Engravers, Loudermilk Studios, Interstate Studios, Benton Review Publishing Company, and S. K. Smith Cover Company.

Paula,

You are a
very nice girl.
Have a nice summer.
and lots of luck in the
future.

Peg

Paula,

To a real cute girl
that I only know in
World History. Good Luck
in what every you do to "70".

Steve

To Paul,
My bestest buddy,
we've had a good
long friendship lets
hope it lastest longer
Love you
Duke

Paula,
To a real sweet
girl even if she
does work for
the dean. Be good
and will see you
next year. Remember
all the nutty things
we did in Spanish
always,
Peggy Spencer

To Paula,
To a very good
friend and one look
like George Ft.
all luck
to you Diane
"70"

To Paula,
To a real sweet girl
that's fun to hang around with.
Hope we all always be neighbors
of friends for the rest of our
lives. (because rest matters)
pretty doingme like Jemine) Good
luck to be back in N.H.S. Of you
doing so you are special "70" for.

To Paula
A real sweet girl
and a good friend.
Stay as sweet as ya'
are + you'll go far.
Good luck at NHS +
with all the guys.
Mary Albert.

To Paula:
Nice you're a real
nice person who
without your help
I could have not succ-
eeded in doing my history
notebook. Thanks
Phil Fisher

Paula
To a real sweet
girl and cute girl
that I've known
for a long time
Good luck with
the boys and NHS.
Feel free to call on
me anything you do.
